Bureau of the Budget and - Budget Stabilization Reserve for
Management Research Fiscal 2022 Restoration Plan

ACTION REQUESTED OF B/E:

The Board is requested to approve the use of up to \$25,000,000.00 of the Budget Stabilization Reserve (BSR), also known as the "Rainy Day Fund," to close the projected Fiscal 2020 deficit and to establish Fiscal 2022 as the first year of restoration plan requirement.

AMOUNT OF MONEY AND SOURCE:

\$25,000,000.00 - 2093-793413-7930-741303-460010

BACKGROUND AND EXPLANATION:

The Bureau of the Budget and Management Research is requesting authorization to use up to \$25,000,000.00 of the Budget Stabilization Reserve (BSR), also known as the "Rainy Day Fund," as a necessary step to balance the Fiscal 2020 General Fund budget. As a matter of historical significance, this is only the third time that the Board of Estimates has been asked to use the BSR since its inception in Fiscal 1993. The prior two instances were in Fiscal 2010, to cover a shortfall caused by two historic snowstorm events and declining local revenues; and in Fiscal 2015, to cover unanticipated costs in response to civil unrest.

Fiscal 2020 was the "perfect storm" of budget problems in that the City simultaneously experienced both lower revenues and higher costs. In March 2020, as the COVID-19 pandemic spread throughout the United States, States and Local jurisdictions put in place strict social distancing guidelines and stay-at-home orders to prevent the further spread of the virus. The result was that many parts of the economy slowed to a standstill, and in turn the City wrote down its revenue projections for key General Fund sources including income tax, transfer and recordation tax, investment earnings, hotel tax, convention center income, and admissions and amusement tax, among others.

BBMR - cont'd

Additionally, the City incurred new expenses in an attempt to both control the spread of the virus and to minimize the economic hardships to its residents. These expenses included costs to maintain core City services, health response expenses, isolation and quarantine for vulnerable populations, resident assistance programs for food and rental assistance, and small business support.

Closeout Actions:

The Board of Estimates' policy for use of the BSR is strict. Withdrawals can only be made for "a post-adopted budget that has been impacted by an uncorrectable shortfall in budgeted revenues or expenses." Further, the policy states that initially, "all reasonable efforts had been made in controlling expenses." In compliance with the policy, the City took the following actions in Fiscal 2020:

Hiring and Spending Freeze:

On March 20, 2020, the City implemented a hard hiring and spending freeze. The intent was to minimize non-essential and non-COVID spending. Hiring exemptions were granted only for critical leadership positions, and for front-line public safety officers such as police officers, paramedics, firefighters, EMT's, and Sheriff Deputies. This action successfully slowed spending during the 4th Quarter of Fiscal 2020.

Defer Reserve Contributions:

The Fiscal 2020 budget included a total of \$12,000,000.00 for contributions to the Rainy Day Fund, the OPEB Trust Fund, and to various capital reserve funds. The purpose of these annual contributions in the operating budget is to maintain a consistent schedule for building reserves, paying down unfunded liabilities, and preparing for future Capital needs. These contributions were all waived in Fiscal 2020.

AGENDA

BOARD OF ESTIMATES

9/16/2020

BBMR - cont'd

Federal Aid:

The City has pursued Federal aid to assist with the financial impact of COVID-19. But the resources are best preserved for Fiscal 2021. The City is preparing an application to the FEMA Public Assistance Program for incurred General Fund COVID expenses in Fiscal 2020, although reimbursement is unlikely until the middle of Fiscal 2021 at the earliest. The City also received a direct aid allocation of \$103,000,000.00 as part of the Federal CARES ACT. Per U.S. Treasury guidance, these funds can only be used to pay for direct COVID expenses and are not eligible to backfill lost revenue.

Collectively, these actions have reduced the City's projected Fiscal 2020 General Fund deficit and provided some contingency for Fiscal 2021. For Fiscal 2020, the General Fund deficit has been reduced from \$42.3 million (2nd Quarter) to \$14.3 million (Closeout):

General Fund (in \$ millions)	Adopted Budget	Q1 Proj'n Pre	Q2 Proj'n Pre	Q2 Rev'd COVID	Q4 Closeout	Sur/(Def) vs. Adopted
Revenue	1,967.2	1,973.9	1,994.7	1,926.0	1,945.6	(21.6)
PAYGO Capital	50.0	50.0	50.0	50.0	50.0	0.0
Operating Expenditures	1,917.2	1,919.3	1,918.3	1,918.3	1,877.3	39.9
COVID Response Costs	<u>0.0</u>	<u>0.0</u>	<u>0.0</u>	<u>0.0</u>	<u>32.6</u>	(32.6)
Surplus / (Deficit)	0.0	4.6	26.4	(42.3)	(14.3)	(14.3)

The Bureau of the Budget and Management Research is requesting authorization for use of up to \$25,000,000.00 from the BSR to bring Fiscal 2020 into balance. Note that there is some contingency included in this request, as the current figures are unaudited and still subject to adjustment. The actual withdrawal from the BSR will only be for the amount needed to bring the General Fund into balance.

BBMR - cont'd

Replenishment Plan:

According to the Board of Estimates policy regarding use of the BSR, "a reserve replenishment plan must be established and must specify a timetable for full restoration of the reserve, not to exceed five years." The policy requires the first year of the restoration plan to be the fiscal year following the reserve fund use, unless the Board of Estimates determines that doing so would be an undue burden.

Since the Fiscal 2021 budget has already been approved by the City Council, and given the continuing economic uncertainty that is expected in Fiscal 2021, it is requested that the Board declare that the first year of the required replenishment plan be Fiscal 2022.

On October 2, 2019, the property at 1524 Hollins Street was transferred from the jurisdiction of the Department of Housing and Community Development to the Department of General Services as Landlord.

Therefore, these artifacts by the First Amendment to Lease will be considered a part of the leased premises.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Mutual Termination Agreement between the Department of Recreation and Parks and Italian American Organizations United, Inc. (IAOU). The period of the agreement is effective upon Board approval and is retroactive as of July 6, 2020.

AMOUNT OF MONEY AND SOURCE:

BACKGROUND/EXPLANATION:

The City and IAOU entered into an agreement of Gift of the Columbus Statue (the "Donation Agreement"), whereby IAOU irrevocably gifted and donated a fourteen-foot, two-inch, seventeen ton, white Carrara marble statue of Christopher Columbus (the "Statue") to the City.

On July 6, 2020, following the destruction of the statue during a public protest, IAOU retrieved the statue from the Jones Falls and moved the statue to a private warehouse for safekeeping. The City Charter requires that the Department of Recreation and Parks protect all monuments belonging to the City, including the statue.

The City acting through the Department wishes to protect and preserve the statue for its artistic and historical significance, but recognizes that this public display on City property may not best serve those ends; to achieve this goal, the parties wish to mutually terminate the Donation Agreement whereby ownership of the statue shall revert from the City back to IAOU. Approval of this Mutual Termination Agreement is requested by the BOE, in order for IAOU to secure its grant funding. This Mutual Termination Agreement has been signed electronically by all parties. IAOU releases the City, its officials, employees, and agents from any and all claims, known and unknown, arising under, or related to the statue.

These properties were erroneously transferred to East Baltimore Development, Inc. in 2011 before a Developer was identified for the entire block.
