A COUNCIL RESOLUTION CONCERNING

Celebrating National NeighborWorks® Week – June 3 - June 10, 2006

FOR the purpose endorsing the celebration of the 23rd National NeighborWorks® Week, held annually the 1st through the 2nd Saturday in June, in recognition of the accomplishments of the NeighborWorks® network working in more that 4,414 urban, suburban, and rural communities across the nation to transform distressed neighborhoods.

Recitals

On Thursday, June 8, 2006, from 8 a.m. until 4 p.m., area Home Depot volunteers will converge on 611 North Montford Street for a Home Depot Day of Service in collaboration with NeighborWorks® America and 5 Baltimore area nonprofit housing organizations: Neighborhood Housing Services of Baltimore, Inc., St. Ambrose Housing Aid Center, Banner Neighborhoods Community Corporation, Greater Baltimore AHC, Inc., and the Mutual Housing Association of Baltimore.

At the close of their volunteer service on Thursday evening, the volunteers will have brought the residents of McElderly Park 600 man hours closer to having their much anticipated

Community Center and the accompanying Amazing Port Street's Sacred Commons available for the enjoyment of their family, friends, neighborhood residents, and visitors.

The national NeighborWorks® network is an affiliation of more than 240 nonprofit organizations increasing homeownership, preserving affordable housing, and revitalizing neighborhoods in more than 4,414 communities across the nation. In 2005, the NeighborWorks network generated more than \$2.9 million in total direct investment and helped more than 180,000 low-to moderate-income families purchase, improve, and maintain their homes.

Our local NeighborWorks members are part of a national network that was founded and supported by Neighborhood Reinvestment Corporation, now NeighborWorks® America, and chartered by Congress in 1978. National NeighborWorks® Week was initiated, in 1984, by a Congressional Resolution cosponsored by more than 240 members of Congress and signed by the President. The formal introduction of NeighborWorks® Week occurred in the spring of 1986, and began an annual, national celebration of neighborhood pride and unity held the 1st through the 2nd Saturday in June.

The parent organization strengthens the network through training, technical assistance, and funding. National NeighborWorks® Weeks celebrates the efforts of local organizations working with partners and volunteers to create healthier communities and gives people a chance to be a positive force in their communities by participating in activities that may include helping to spruce up a block, showcasing new homes provided for 1st time buyers, or generating support for crime prevention programs.

NeighborWorks® Weeks personifies the best definition of being “a good neighbor”.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE, That this Body celebrates the 23rd National NeighborWorks® Week that is held annually the 1st through the 2nd Saturday in June, in recognition of the accomplishments of the NeighborWorks® network working in more that 4,414 urban, suburban, and rural communities across the nation to transform distressed neighborhoods.

AND BE IT FURTHER RESOLVED, That a copy of this Resolution be sent to the Mayor, the Baltimore Area NeighborWorks® Week Coordinator, the Commissioner of Housing, the Director of Planning, and the Mayor's Legislative Liaison to the City Council.

A COUNCIL RESOLUTION CONCERNING

Senior Health Alert – Citywide Dissemination of Information

FOR the purpose of requesting the Executive Director of the Commission on Aging and Retirement Education (Care) to provide information to all pharmacies in Baltimore City on the hazards of extreme heat to the elderly, for dissemination with prescription medication.

Recitals

The Centers for Disease Control reports that from 1979-2002, excessive heat exposure caused 8,966 deaths in the United States. During this period, more people died from extreme heat than from hurricanes, lightning, tornadoes, floods, and earthquakes combined. Because of the very real dangers of heat-related illness and death, particularly to the elderly, on Tuesday, May 30, 2006, CARE sent the following e-mail alert to all City employees:

FYI ALERT

COMMISSION ON AGING & RETIREMENT EDUCATION (CARE) ADVISES

SENIORS TO KEEP COOL AS THE TEMPERATURE RISES

CARE Offers Seniors Tips to Avoid Heat Exhaustion

BALTIMORE, MD (May 30, 2006) –Temperatures in Baltimore are expected to hit and remain in the low 90 degree range through Monday, June 5, 2006. Accordingly, John Stewart, CARE Executive Director, is advising seniors to keep cool and safe this week and as we enter the hot and muggy months of summer. In particular, older adults are more susceptible to the harmful effects of extreme heat. To ensure the safety of Baltimores older population, CARE is encouraging seniors to take some common sense steps when the temperatures rise above 90 degrees:

- Drink plenty of water
- Reduce your activities
- Stay inside during the hottest time of day (11:00 a.m. – 5:00 p.m.).
- Watch out for signs of heat exhaustion and heat stroke for example:
 - change in mental status
 - nausea
 - light-headedness
 - high body temperature with cool and clammy skin

- Seek medical help immediately if any of these symptoms occur
- Seek relief from the heat at any one of the local senior centers or one of the following cooling stations:
 - 1400 Orleans Street – Eastern Community Action Center
 - 5225 York Road - Northern Community Action Center
 - 606 Cherry Hill Road - (inside the shopping center 2nd floor) Southern Community Action Center
 - 3314 Ayrdale Avenue - Northwest Community Action Center
 - 3600 W. Franklin Street – Allendale Apartments
 - 2121 Windsor Garden Lane – Bernard E. Mason
 - 3101 Fallstaff Road – Edward A. Myerberg Senior Center
 - 4801 Liberty Heights Avenue – Forest Park Senior Center
 - 425 East Federal Street – Greenmount Senior Center
 - 4920 Harford Road – Harford Senior Center
 - 2825 Fait Avenue – Hatton Senior Center
 - 229 ½ South Eaton Street – John Booth Senior Center
 - 5700 Park Heights Avenue – Jewish Community Center
 - 1601 Baker Street – Sandtown Winchester Senior Center
 - 1700 N. Gay Street – Oliver Senior Center
 - 110 N. Central Avenue – Pleasant View Gardens
 - 5828 York Road – Senior Network of North Baltimore
 - 1000 Cathedral Street – Waxter Center
 - 2000 N. Broadway, Lobby – Baltimore City Dept. of Social Services

- 1133 Pennsylvania Avenue – Western Community Action Center
- 3939 Reisterstown Road – Northwest Community Action Center
- 3411 Bank Street – Southeastern Community Action Center
- 3601 O'Donnell Street – Elder Health, Inc.

CARE is distributing water and information on keeping cool in the heat at all the neighborhood senior centers. Fans will be distributed to income eligible persons on an as needed basis. Persons receiving fans will sign a Notice of Return, which will allow the Office of Home Energy Programs to reclaim the fans when the heat spell ends. Seniors will receive an air conditioner, upon demonstrating they have the capacity to install the air conditioner.

If this very important alert is distributed with all prescription filled by pharmacies in the Baltimore City area, it will assist in informing our elderly, their families, and their care-givers of the dangers of extreme heat to the vulnerable elderly population.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE, That the Executive Director of the Commission on Aging and Retirement Education (Care) is requested to provide information to all pharmacies in Baltimore City on the hazards of extreme heat to the elderly, for dissemination with prescription medication.

AND BE IT FURTHER RESOLVED, That a copy of this Resolution be sent to the Mayor, the Executive Director of CARE, and the Mayor's Legislative Liaison to the City Council.

Councilmember Welch made a motion, which was duly seconded, that the Rules be suspended.

The roll was called on the motion, resulting as follows:

Yeas - President and Councilmembers Kraft, D'Adamo, Curran, Harris, Rawlings Blake, Conaway, Welch, Reisinger, Young, Branch, Clarke - Total 12.

Nays - 0.

Absent - Councilmembers Spector, Holton, Mitchell - Total 3.

The President declared the Rules "Suspended".

Then Councilmember Welch made a motion, which was duly seconded, that the Resolution be adopted.

The roll was called on the motion, resulting as follows:

Yeas - President and Councilmembers Kraft, D'Adamo, Curran, Harris, Rawlings Blake, Conaway, Welch, Reisinger, Young, Branch, Clarke - Total 12.

A COUNCIL RESOLUTION CONCERNING

Baltimore City Police Patrol Cars – Take Home Policy

FOR the purpose of requesting the Baltimore City Police Commissioner to study the efficacy of adopting a take-home patrol car program for Baltimore City police officers who reside in Baltimore City and to report to the City Council on the success or failure of take-home patrol car policies in other subdivisions across the country and the comparative advantages and disadvantages of adopting a take-home patrol car policy for City officers.

Recitals

Research reported by PoliceOne.Com, an organization of over 100,000 law enforcement personnel shows that one of the most important decisions that an agency has to make about its

patrol cars is whether to permit its officers to take the vehicles home and use them as both rolling offices and personal transportation.

One of the greatest advantages of a take-home patrol policy is the increased visibility of police officers in their communities and on the roadways. However, it has been found the greatest advantage of allowing police officers to take-home patrol cars is the ready deployment of an off-duty officer to critical incidents. "Because an officer has his or her gear and a car at all times, he or she can roll within a few minutes notice. The result is that off-duty officers can respond more rapidly to hostage, barricade, or active-shooter situations."

Another benefit of take-home patrol cars is that a take-home policy can help an agency fill its ranks. Police departments that offer such policies can use them as recruiting tools. The website of the Pierce County, Washington Sheriff's Department promotes the availability of take-home cars for all deputy sheriffs as a "perk." Take-home cars have even been an acknowledged factor in why some officers left one agency for another.

Because patrol cars are often run 24 hours a day, 7 days a week, and through a wide range of driving conditions and demands for constant shifts in speeds, keeping the units in good repair is a full-time job. In a bid to establish and maintain greater accountability for patrol car operation and upkeep, many police agencies have found that when officers are assigned their own take-home patrol cars, they tend to be more responsible with them. In addition, allowing the cars to be taken home, means agencies no longer have to maintain garage facilities.

A study commissioned by the city of Tacoma, Washington, concluded that by allowing officers to drive to and from work in their patrol cars, the City saved significant amount of money a year. Pierce County, Washington's Sheriff notes that while most patrol cars may last a police department 1 or 2 years, their cars not only last an average of 6 years but are so well-conditioned that they can be resold to smaller subdivisions for their police forces.

It has been acknowledged that not one of the police districts in Baltimore City is manned at the appropriate level. Allowing police officers to take home their patrol cars would give the police a more visible presence, increase the perception of community safety, and, hopefully, help to deter those criminal opportunists who find those who live in their neighborhood easy and convenient prey.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE, That the Baltimore City Police Commissioner is requested to study the efficacy of adopting a take-home patrol car program for Baltimore City police officers who reside in Baltimore City and, within 120 days of the adoption of this Resolution, to report to the City Council on the success or failure of take-home patrol car policies in other subdivisions across the country and the comparative advantages and disadvantages of adopting a take-home patrol car policy for City officers.

AND BE IT FURTHER RESOLVED, That the Commissioner review the Police Department's conclusion on the fiscal impact of a take-home patrol car policy with the Director of Finance.

AND BE IT FURTHER RESOLVED, That a copy of this Resolution be sent to the Mayor, the Baltimore City Police Commissioner, the Director of Finance, and the Mayor’s Legislative Liaison to the City Council.

Favorable report, as amended adopted.

The roll was called on the adoption of the Resolution, resulting as follows:

Yeas - President and Councilmembers Kraft, D'Adamo, Curran, Harris, Rawlings Blake, Conaway, Welch, Reisinger, Young, Branch, Clarke - Total 12.

Nays - 0.

Absent - Councilmembers Spector, Holton, Rawlings Blake - Total 3.

The President declared the Resolution adopted.

**BILL NO. 06-0334 REPORTED FAVORABLY, WITH AMENDMENTS,
AND ORDERED PRINTED FOR THIRD READING**

Councilmember Curran, for the Judiciary and Legislative Investigations Committee, reported Bill No. 06-0334 favorably, with amendments.

An Ordinance correcting certain technical errors and omissions in the City Code; correcting, clarifying, and conforming certain language; and providing for a special effective date.

Amendments to City Council Bill No. 06-0334

Amendment No. 1

On page 1, in line 7, after the first section symbol, insert “§ 106 and”; and, on page 2, after line 33, insert:

“Section 106 Construction Documents

_____ **106.1 Submittal documents. [As in IBC]**

_____ **106.2 Site plan.** The construction documents submitted with the application for permit must be accompanied by a site plan that:

- _____ a. shows to scale the size and location of new construction and existing structures on the site, distances from lot lines, the established street grades, and the proposed finished grades,

b. is drawn in accordance with an accurate boundary line survey, and

c. comports with all other requirements of this section.

106.2.1 Demolition. In the case of demolition, the site plan must show construction to be demolished and the location and size of existing structures and construction that are to remain on the site or plot.

106.2.2 Specifications; additional information. The site plan must:

a. be drawn in accordance with the specifications required by rules or regulations adopted by the Building Official in consultation WITH the Director of Public Works, and

b. contain any additional information required by those rules or regulations.

106.2.3 Waiver or modification. The Building Official may waive or modify the requirement for a site plan if the application is for alteration or repair or if otherwise warranted.

106.3 EXAMINATION OF DOCUMENTS. [As in IBC]

106.4 AMENDED CONSTRUCTION DOCUMENTS. [As in IBC]

106.5 RETENTION OF CONSTRUCTION DOCUMENTS. [As in IBC]

COMMENT: As introduced, Ordinance 02-475 {“Building, Fire, and Related Codes – 2003 Edition”} proposed to adopt all of § 106 “as in IBC”. Before passage, the bill was amended to adopt certain local modifications to § 106.2, dealing with site plans. The amendment inadvertently failed to indicate the intended retention of §§ 106.3 through 106.5 “as in IBC”. Also, in § 106.2.2a, a missing preposition (“with”) is inserted.”.

Amendment No. 2

On page 7, in line 8, before “District”, insert “A”; and, in line 15, strike “(“the”)” and substitute “before “District” and, again, before “Landmark List””.
