**COUNCIL PRESIDENT YOUNG  
ANNOUNCES CREATION OF NEW SUBCOMMITTEE**

**BALTIMORE, MD** – City Council President Bernard C. “Jack” Young will announce on Monday, during the regularly scheduled City Council meeting, the creation of a Recreation and Parks Subcommittee as part of the Public Safety Committee.

Council President Young is placing the newly created Recreation and Parks Subcommittee under the Public Safety Committee because he believes that providing activities through city recreation centers and swimming pools is a key element to any successful public safety strategy.

“I want the creation of this subcommittee to signal my commitment to our young people and to our seniors,” Council President Young said. “I want to ensure that the system is providing effective and efficient services, and I also want to ensure that the centers are clean, safe and providing the types of programs our community deserves.”
