INSTRUCTIONS AND GENERAL INFORMATION

The departments, bureaus, and agencies listed on the inside front cover of this book are served by a consolidated telephone system called CENTREX. This system provides Direct-Inward-Dialing. Each extension is used like a private business line to call directly to the appropriate City office using 5-digit dialing.

ORDERING TELEPHONE SERVICES

To request any additional service, moves of equipment or lines, or changes and deletions of services, a Telephone Service Request form (#28-1308-5013) must be submitted to the Municipal Telephone Exchange in a timely manner. Requests for immediate services, changes and/or verbal requests should be planned in advance or they may not be honored. Consult the Administrative Manual (507-1) for additional information.

TELEPHONE SERVICES

City Hall Operator Supervisor	6-1903
Moves, Adds, Changes, Directories, Billing information, etc.	6-4926
Repair of Lines and Equipment	6-4928
Annoying (Obscene and Threatening) Calls	6-4928

ORDERING TELEPHONE DIRECTORIES

The Municipal Telephone Directory is published annually by the Municipal Telephone Exchange. The contents are the responsibility of the listed agencies. It is stocked in City Warehouse 15 and is available to all agencies at a nominal charge. To order, prepare a WAREHOUSE REQUISITION form via COMPASS specifying warehouse and stock number 28-1308-5101, *Municipal Telephone Directory*.

USE OF OFFICIAL TELEPHONES FOR PERSONAL BUSINESS

City telephones, pagers and cellular phones are not to be used by employees for personal use, except in emergencies. Pay telephones located in various buildings should be used for personal calls. All agency and bureau heads are expected to cooperate in securing strict compliance with this rule. Each person having a telephone on his/her desk is responsible for its proper use.

TO PLACE A CALL FROM A CENTREX NUMBER TO ANOTHER CENTREX NUMBER

City Centrex numbers in area code "410" begin with "396, 545, 361". City Centrex numbers in the area code of "443" begin with "984". To dial a number listed in this directory, you only need to dial the last five digits. Example: 6-3100 (Note: the Police Department "396" numbers are on a separate Centrex system. See internal dialing instructions).

TO PLACE A LONG DISTANCE CALL FROM UNRESTRICTED CENTREX TELEPHONE LINES

Dial "9". Then, dial "1" + Area Code + the telephone number. Employees are reminded that all long distance calls are to be documented on a LONG DISTANCE CALL AUTHORIZATION form (#28-1308-5118). Authorization forms must be forwarded to your Bureau Head for approval and retained with the monthly detailed phone bill.

THREE-WAY CONFERENCING

To conference with one caller on, depress the "LINK" button for a second dial tone, then dial the number desired. When answered, depress the "LINK" button once again and begin your three-way conversation.

CONFERENCE CALL (5 OR MORE PARTICIPANTS)

Dial "0" for the operator. Advise the Centrex operator that you require a conference call. Remember to call the operator in advance of your planned date for a conference call.

TO TRANSFER A CALL

Any local or long distance call may be transferred either by yourself or by the Centrex Operator. Depress the "LINK" button once. You will hear a beep and a second dial tone. Dial the 5 digit Centrex number or "0" for the Centrex Operator. When the call is answered, announce the call and hang-up.

DIALING INSTRUCTIONS TO AGENCIES NOT ON CITY CENTREX

Do not dial "9". Instead, dial the proper access code below and, without waiting for another dial tone, dial the extension number.

WHEN DIALING THE FOLLOWING AGENCY FROM CITY CENTREX:

<u>AGENCY</u>	<u>DIAL</u>
Police Department	"15" plus extension or "0"

INFORMATION

For Centrex numbers, first check this directory. If the number is not listed, dial "0" for the Centrex-City Hall Operator. For non-centrex numbers, check the Verizon White or Yellow Pages Directory.

CITY EMPLOYEE DEDICATED HOT LINE (410) 361-9200

BUSY VERIFICATION AND INTERRUPTION

For Centrex numbers, dial "0" and request the supervising Centrex operator to verify a busy condition or interrupt a Centrex line if your call is an emergency.

For non-centrex numbers, dial "9-0" for the Verizon operator. Note: Calling a Verizon operator will result in a charge being made against your Centrex number, per call.

TELEPHONE SETS AND TELEPHONE LINE REPAIRS – PLEASE CALL 6-4928

Normal repairs are not directly charged to the agencies and will be performed during normal city business hours unless otherwise requested. Repairs that are not associated with normal "wear and tear" may be billed.

When you call the Municipal Telephone Exchange 24-hour repair line at 6-4928, please be prepared to answer the following questions:

1. What is the telephone number in trouble (or involved)?
2. What is the "SID" number? (your intercom number)
3. What is the problem with the telephone service/set(s)?
4. Where is the telephone service located?
 - Agency name and address
 - Room or floor
 - Hours of access
 - Contact name and phone number

Once the repair request has been taken, you will be given a Repair Order Number. Refer to this number for any additional information regarding that repair request.
