Department of Transportation - Consultant Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Consultant Agreement with AECOM Technical Services, Inc. for Project No. 1244, Planning and Design Consultant Services for Hanover St. Bridge Multimodal Corridor Plan. The period of the agreement is effective upon Board approval for four years.

AMOUNT OF MONEY AND SOURCE:

\$1,001,110.65 - 9950-909062-9508-900010-703032

BACKGROUND/EXPLANATION:

The Department has negotiated and procured the Consultant Agreement approved by the Office of Boards and Commissions and the Architectural and Engineering Awards Commission and now desires to utilize the services of AECOM Technical Services, Inc. The cost of services rendered will be on actual payroll rates not including overhead and burdens times a set multiplier. The payroll rates and multiplier have been reviewed by the Department of Audits.

The Consultant will assist with the scope of services which includes, but is not limited to the planning and design services which will identify feasible methods of rehabilitating or replacing the Hanover Street Bridge. It will also improve multimodal corridor accessibility and freight access, as well as highlight ways to enhance access to economic opportunities. The services will include evaluation of the existing Hanover Street Bridge, preliminary engineering to determine future cross sections of a rehabilitated bridge or a new structure, identify traffic operation, recreational amenities, quality of life enhancements, and safety throughout the corridor. The planning study will result in a corridor plan for the area designated to encourage development and private investment in the Middle Branch Waterfront and surrounding area. It will identify bridge, multimodal, and roadway typical sections that can best meet the needs of residents, businesses and commuters.

AGENDA**BOARD OF ESTIMATES****02/10/2016**Department of Transportation - cont'd

The comprehensive corridor plan for the Hanover Street Bridge Corridor will include both a design master plan for the Hanover Street Bridge Corridor and an investment implementation plan for local transportation connections and community integration. Collectively, those documents will be the culmination of a comprehensive planning study that evaluates a variety of alternatives of the existing structure and adjacent roadway network.

Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the First Amendment to the Inter-governmental Agreement with the Housing Authority of Baltimore City (HABC). This amendment extends the period of the agreement through June 30, 2016.

AMOUNT OF MONEY AND SOURCE:

\$400,000.00 - 1001-000000-2251-247700-603026

BACKGROUND/EXPLANATION:

The HABC and Baltimore City, acting through the Mayor's Office on Criminal Justice, have entered into inter-governmental agreements since 2009 for the purpose of maintaining, repairing, replacing, and upgrading HABC security cameras and associated equipment. Currently, there are 182 cameras in operation and maintained by the City as part of the CitiWatch system.

This amendment addresses the addition of 12 new cameras at Poe Homes and the elimination of 21 cameras at Pleasant View Gardens pursuant to the Rental Assistance Demonstration transaction.

The amendment is late because of the administrative process.

ACTION REQUESTED OF B/E:

The Board is requested to approve a Local Government Resolution in support of the Southwest Partnership, Inc. application to the Maryland Department of Housing and Community Development "Strategic Demolition and Smart Growth Impact Fund Program." A local government resolution of support is required for organizations to participate in the program.

AMOUNT OF MONEY AND SOURCE:

\$500,000.00 - State of Maryland - Department of Housing and
Community Development - Strategic Demolition and
Smart Growth Impact Program

BACKGROUND/EXPLANATION:

The Southwest Partnership, Inc., as part of its vision and mission to promote an awesome, healthy, architecturally beautiful, diverse, cohesive community of choice built on mutual respect and shared responsibility, seeks to support the redevelopment of the historic Lion Brothers Parking Building located at 875 Hollins Street.

The requested State funds will be used for acquisition, architecture and engineering, and site work related to the redevelopment of the historic Lion Brothers Building in Hollins Market. When redeveloped, the now-vacant Lion Brothers building will be home to TechShop, a community yoga center, and likeminded office users interested in co-locating with TechShop. The project is part of a broader undertaking to create an Innovation District in Southwest Baltimore. The Southwest Partnership, Inc. is partnering with Cross Street Partners on the redevelopment of this property.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Consultant Agreement with Livable Housing, Inc. The period of the agreement is effective upon Board approval for eight months.

AMOUNT OF MONEY AND SOURCE:

\$38,880.00 - 5000-594016-5971-439553-603018

BACKGROUND/EXPLANATION:

The Department's Division of Green, Healthy and Sustainable Homes is in need of better coordination and integration of lead abatement, housing rehabilitation, and weatherization services. Each program has its own program requirements and regulatory responsibilities associated with State and Federal funding.

Livable Housing, Inc. is a nationally recognized expert in healthy home strategies and government compliance in the fields of lead safety, housing rehabilitation loan programs and energy conservation. The services of Livable Housing, Inc. have been employed by Federal agencies and community development corporations around the country. Mr. Armand Magnelli, the principle of Livable Housing, Inc. served for 12 years as a Senior Program Director for the Enterprise Foundation. Livable Housing, Inc. will provide 243 hours of consulting services at a rate of \$160.00 per hour during the period of the consultant agreement.

Both the Baltimore Energy Initiative (funded by the Maryland Public Service Commission) and the federally-funded Lead Hazard Reduction Program call for integrating housing rehabilitation, weatherization, and lead abatement.

Department of Housing and - Consent and Transfer of the
Community Development General Partnership Interest

ACTION REQUESTED OF B/E:

The Board is requested to approve the Consent and Transfer of the General Partnership Interest for the project known as Supportive Housing Group, Inc. The Board is further requested to authorize the Commissioner of the Department of Housing and Community Development to execute any and all documents to effectuate this transaction subject to review and approval for form and legal sufficiency by the Department of Law.

AMOUNT OF MONEY AND SOURCE:

No additional funds are required.

BACKGROUND/EXPLANATION:

Supportive Housing Group, Inc., a Maryland non-stock, not-for-profit corporation (the Corporation) operates a 36-unit apartment building known as the Lanvale Apartments (a.k.a. Rutland Center, and referred to herein as the Project) located at 1600 Rutland Avenue, which is currently owned by Lanvale Apartments Limited Partnership (LALP).

The organization's mission is to provide transitional housing and comprehensive supportive services to at-risk families suffering from homelessness, poverty, domestic violence, mental illness, and substance abuse who are committed to changing their lives and living as productive citizens in the community.

The LALP and the Housing Authority of Baltimore City (HABC) are parties to a Housing Assistance Payment Contract to permit LALP to receive project-based Section 8 subsidies from the U.S. Department of Housing and Urban Development that is used to assist with the funding of its operations (the HAP Contract).

In addition to the Section 8 assistance received pursuant to the HAP Contract, the project was originally financed by an Affordable Housing Program Loan, a Purchase Money Mortgage from the City and low-income tax credits in 1989. Since that time,

the Department has recommended various modifications to the transaction. In 2005, the Board approved a restructuring of the existing debt (which included a grant from the proceeds of Community Development Bond Funds and a loan of Rental Rehab Repayment Funds) as well as a sale of the general partner interests of the LALP to the Corporation. The additional City funds were used to replace the building's roof.

As a result of the 2005 modifications, the Corporation is the General Partner of the LALP, and Rutland, LLC (Rutland) is the Limited Partner. The Corporation is also the Managing Member of Rutland and together with the Estate of Mr. Tim Williams, are the sole members of Rutland.

The existing financing relating to the project is as follows:

- An Amended and Restated BAHF Promissory Note in the amount of \$750,000.00 made be the LALP in favor of the City, dated August 31, 2005, secured by a Deed of Trust (the BAHF Deed of Trust) dated as of December 15, 1998 by and between the LALP and the City (the BAHF Loan).
- An Amended and Restated Purchase Money Promissory Note by the LALP in favor of the City dated August 31, 2005 in the amount of \$214,000.00, as secured by a Purchase Money Mortgage (the Purchase Money Deed of Trust) dated December 15, 1998 by and between the LALP and the City (the Purchase Money Loan).
- A \$60,000.00 Grant Agreement by and between the LALP and the City dated August 31, 2005 relating to a grant made from Community Development Bond funds (the Grant Agreement); and
- A Deed of Trust Note (Rental Rehabilitation Loan) in the amount of \$18,000.00 made by the LALP in favor of the City (the RRF Note) dated August 31, 2005 together with a Loan Agreement by the LALP and the City dated August 31, 2005 relating to the RRF Note, and secured by a Deed of Trust, Assignment of Rents, Regulatory Agreement, and Security Agreement (Rental Rehabilitation Funds) the (RRF Deed of

The project has experienced financial difficulties from time to time, including a tax lien sale. Timothy T. Williams (then Executive Director) and Mary Ann Williams have made certain advances to assist the Project. Mr. Williams has since passed away, leaving Ms. Mary Ann Williams as the beneficiary and holder of (i) an Unsecured Promissory Note made effective as of November 14, 2012 by Supportive Housing Group, Inc., in favor of Mr. Timothy Williams and Ms. Mary Ann Williams in the amount of \$73,796.00 and (ii) an Unsecured Promissory Note made effective as of November 14, 2012 by the Corporation in favor of Mr. Timothy Williams and Ms. Mary Ann Williams in the amount of \$63,994.00. Ms. Mary Ann Williams is also owed certain amounts from the Corporation as a result of advances made to assist the Project which are not evidenced by notes but of which an accounting of was kept by the Corporation.

The LALP has continued to face certain operating deficits with respect to the Project. Because the LALP is a for profit partnership, ad valorem taxes have been assessed annually on the project adding a strain to the financials. The LALP proposes to transfer ownership of the Corporation to be able to qualify for an ad valorem tax exemption. As a part of the transfer, the LALP will be converted to a corporation and merged into the Corporation (as will the limited partner of the LALP) and the Corporation will become the borrower under the City Debt.

The Department supports this action to ensure that the 36 transitional housing units continue to serve the community. In addition, this transfer will assist the Corporation to stabilize the financial and programmatic aspects of the

project. The organization has contracted leases for the operation of two new day care programs to replace a John Hopkins operated day care center that relocated and a Head Start program that closed due to its loss of funding. The new on-site programs will be an asset for the tenants as well as for the other community members.

The process for the conversion and merger will be as follows: (i) the Corporation will assign its general partnership interest in the LALP to Rutland and will simultaneously accept the assignment of the Estate of Mr. Tim Williams' interest in Rutland, to become the 100% member of Rutland; (ii) Rutland will convert its 99% limited partner interest to a general partner interest, and will simultaneously execute a Certificate of Amendment, amending the LALP's partnership certificate to substitute Rutland for the Corporation as general partner; (iii) Rutland LLC will be converted to a Maryland corporation to be known as Lanvale Apartments Corporation; and (v) Rutland Corporation and Lanvale Apartments Corporation will be merged into the Corporation. To accomplish this, Articles of Merger will be executed and filed with SDAT.

There are no amounts currently required to be paid under any of the City's debt, and so long as no event of default exists under any of the documents related to the City's debt, no payments are due.

The documentation evidencing the City's debt requires that the Board approve any transfer of the project or substitution of the borrower. As a result of the transfer, the Corporation will be the obligated borrower under Ms. Williams debt and the City debt. It is anticipated that the transfer will occur within 30 days after the Board's approval. The Board will receive a copy of the executed Consent document after the transaction is completed.

ACTION REQUESTED OF B/E:

The Board is requested to approve an extension of time for the presentation of the second follow-up report. BACKGROUND/EXPLANATION:

The CPA firm CliftonLarsonAllen LLP (CLA) assisting the DHCD in the file reconstruction process and the Department of Audits have discussed their respective reviews of the missing files and files containing inadequate documentation. The DHCD has discussed the issues with CLA LLP and is waiting their formal response. Also, CLA's recommendations on the internal control and improvements on the operating procedures of the LIHEAP Office are limited due to the scope of work contained in their agreement with the DHCD.

A modification needs to be made to the progress report to reflect that, as well as the DHCD's role in recommending corrective actions. Once, the DHCD receives the response from CLA, the progress report will be amended accordingly.

Therefore, the Department is requesting an extension until February 24, 2016.

The Board is requested to approve and authorize execution of a Grant Agreement with Green & Healthy Homes Initiative, Inc. d/b/a Coalition to End Childhood Lead Poisoning (GHHI). The period of the Grant Agreement is February 1, 2016 through December 31, 2018.

AMOUNT OF MONEY AND SOURCE:

\$548,108.40 - 4000-468516-5825-608400-603051

BACKGROUND/EXPLANATION:

Although tremendous progress has been made in the past 20 years to reduce the incidence of childhood lead paint poisoning, much work remains to be done. Every year, over 700 children in Baltimore City are identified as having elevated blood lead levels, most often coming from lead paint hazards in their homes.

This Grant Agreement reflects the sub-grantee relationship that the GHHI has with the City of Baltimore as part of a three-year Federal grant to remove lead hazards from 230 homes over a three-year period. The U.S Department of Housing and Community Development (HUD) awarded the City a grant in the amount of \$3,714,272.00 for the Baltimore City Lead Hazard Reduction Program, which was approved by the Board on December 23, 2015.

As a sub-grantee, the GHHI will provide community outreach, application assistance, post-remediation education, and healthy home improvements. The GHHI will be reimbursed for services

BACKGROUND/EXPLANATION:

The Board approved the original agreement on May 13, 2015. The Electric Vehicle Institute, Inc., has engaged with the City to expand their burgeoning business in the electric vehicle market, and to support the City initiatives for electric vehicles, by granting the equipment, installation, and three years of maintenance for multiple electric vehicle charging stations at up to six original locations in City-owned garages.

The project, completed alongside the Parking Authority, is to help promote adoption and use of electric vehicles in the City, and thereby reduce air pollutants from traditional combustion engines. The amendment extends the original grant and maintenance term from three to five years, and allows for the Electric Vehicle Institute, Inc. to install chargers at seven or more additional locations given approval from the property owning agency, Parking Authority, and the Office of Sustainable Energy. These additional chargers will be used to assist in the City's electric vehicle pilot project and/or public use. Charging at all charges is currently free for public use as an incentive to electric vehicle adoption.

ACTION REQUESTED OF B/E:

The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Baltimore City Ethics Board to permit the Baltimore Development Corporation (BDC) to solicit donations from local, State, Federal government agencies, Baltimore-area business and civic leaders, and private foundations. The period of the solicitation is February 15, 2016 through June 30, 2017.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

The BDC would like to solicit sponsorships and donations for the purpose of supplementing and enhancing the City's economic development activities and initiatives. The funds will be used to allow service providers to administer hands-on business assistance to entrepreneurs in a variety of tracks; sponsorship dollars for tours of City projects, trade shows, special events, seminars, educational workshops, marketing material, and research.

A potential donor list will be comprised of individuals and corporate entities that have demonstrated a history of providing financial and in-kind contributions to the small business community and Baltimore's economic revitalization. The criteria for targeting a corporate entity for solicitation will include the commitment to the overall community, the value to the overall community, interest in entrepreneurship, and a history of providing financial and in-kind contributions to growing the business community and Baltimore's economic revitalization.

The Memorandum of Understanding is effective upon Board approval through June 30, 2019.

AMOUNT OF MONEY AND SOURCE:

The MOU commits \$7,100,000.00 from the State in the FY2016, with a maximum of \$25,000,000.00 appropriated by the State in each succeeding fiscal year until June 30, 2019. The total possible State grant for all years is \$82,100,000.00. The City commits to matching \$0.25 for every \$1.00 spent by the State, for a \$1,755,000.00 commitment in FY16 and up to 6,250,000.00 match in succeeding fiscal years. Should the State appropriate the full \$25,000,000.00 each year, the total possible City match for all years is \$20,500,000.00.

BACKGROUND/EXPLANATION:

The MOU formalizes the State's commitment of demolition funds under Project CORE, as announced by Governor Larry Hogan and Mayor Stephanie Rawlings-Blake on January 5, 2016.

The MOU also establishes a process for the use of funds and lays out the responsibilities of each party for the duration of the project. The City will meet its match through In-kind services, including acquisition, the process to establish the legal right to demolish, utility cut offs, permits, inspections, and post-demolition greening projects. The match will be funded through existing CIP and General Revenue Funds for FY16, and future years will be funded out of approved budgets.

Department of Housing and - cont'd Community Development

The Maryland Stadium Authority will be the grantee of the State funds and will procure the demolition and environmental services and reimburse the City for any relocation cost incurred.

The Department estimates that nearly 4,000 vacant properties will be demolished under the Project CORE program. The Department will work closely with local, State, and community stakeholders to target properties that best enhance the quality of life in the City's neighborhoods and revitalize the City. The properties will be selected at an annual series of meetings led by the Department and the Department of Planning.

Once the MOU is approved by the Board and the Board of the Maryland Stadium Authority, it will be signed by representatives of the Maryland Stadium Authority and the Maryland Department of Housing and Community Development. After all signatures and approvals are obtained, the Department is responsible for providing the fully executed document to the Board of Estimates.
