Executive Memo

To: The Honorable City Council President Nick J. Mosby; Baltimore City Council

From: Shamiah T. Kerney, Chief Recovery Officer

CC: Mayor Brandon M. Scott; Christopher Shorter, Chief Administrative Officer

Date: November 30, 2022

Re: American Rescue Plan Funds - Performance Oversight Council Bill 21-0121 Monthly Report

Background

This memorandum accompanies the City of Baltimore Mayor's Office of Recovery Program's submission of its monthly report to the City Council on spending and performance related to American Rescue Plan Act (ARPA) funding. Specifically, Council Bill 21-0121 § 49-2(B) prescribes the elements of legislatively required reporting, which stipulates that monthly reports should:

- 1) Provide data and metrics regarding how the funds have:
 - I. Increased the effectiveness of city government services;
 - II. Broadened the reach of city government services;
 - III. Made city government services more efficient;
 - IV. Made city government services more sustainable
- 2) Identify key performance indicators, benchmarks, and targets related to:
 - I. Equity, as defined in Article 1, § 39-1 of the Baltimore City Code;
 - II. Population Growth;
 - III. Labor and Employment;
 - IV. Economic Growth, especially the growth of minority and women-owned businesses; and.
 - V. Community Benefit

Commitments and Expenditures

There have not been any new project or project commitments during the month of October. Commitments total \$555,531,877.¹

On August 8, 2022, the City of Baltimore completed Phase II of Workday implementation, transitioning all financial transactions from multiple legacy systems into one modern, cloud-based application. The Recovery Office and other City agencies are working to review and validate data that migrated to Workday. Once this review has been completed and any notable questions or discrepancies addressed, the Recovery Office will resume submission of monthly and cumulative expenditure data to City Council.

The fiscal administrators of the Economic Recovery Fund (ERF) maintain accounting systems that are separate from the City's Workday financial system. Each month, the administrators are required to report to the Recovery Office on their spend-down of the portion of the Fund that they are administering. Accordingly, the ERF expenditures shown in the Appendix have been updated to include data through October.

¹The total commitment amount decreased slightly because of some changes and corrections to previously announced commitments.

Performance Measures and Metrics

As previously noted, many agencies are still fully designing and implementing programs, therefore data are limited. Additional data on performance measures will be included in Council reports as programs are further implemented and data becomes available. The Recovery Office anticipates including some targets and benchmarks for agency performance during the FY23 period of performance. In the interim, the report includes narrative information on agency accomplishments to date. In addition, the Recovery Office is working with university partners and funded agencies and organizations in the coming months to establish equity-related targets based on best practices and available baseline data.

Population, Labor & Employment Growth

Council legislation requires key performance indicators, benchmarks, and targets related to population growth. No data source exists that would demonstrate population growth on a monthly basis. In addition, some ARPA funding may be used for programs and initiatives that could result in population growth. However, such instances would be anecdotal in nature, and cannot be positively correlated to ARPA.

The Mayor's Office of Recovery Programs has awarded ARPA funding for significant investments into small businesses, and non-profits with a prioritization on minority and women-led organizations. As previously noted, data are limited as programs are being implemented. The results of efforts to date are included in the Economic Recovery Fund portion of the report.

The Mayor's Office of Recovery Programs continues to make significant progress in the awarding of ARPA funds, the monitoring of agency and organization's progress, and in the accountability and transparency in the use of these funds. Information on awards, reports and the public-facing dashboard can be found at arp.baltimorecity.gov.

Commitments

Table 1 lists ARPA commitments through the month of October 2022, totaling \$555,531,877 with no new commitments for the month. Expenditure data for July-October 2022 will be presented in a future monthly report, as indicated in the cover memorandum.

- Baltimore Safe Haven Baltimore Safe Haven Housing as healthcare
- Bethel Outreach Interior buildout of the Bethel Empowerment Wellness Center

^{*}The award amounts for MIMA and BCCC were incorrect in the prior report and has been updated to the correct amount.

- Chesapeake Shakespeare Rebuilding Student Matinees via Free Tuition and Transportation
- Northeast Housing Initiative Creating Affordable Housing and Resources for Residents in Northeast Baltimore
- Soccer Without Borders Strengthening Resilience to the Social and Academic Impacts of COVID Among English Learners

Subawardee Accomplishments

Economic Recovery Fund

A total of 821 grants, totaling \$15,532,236 have been awarded from Economic Recovery Fund fiscal agents to beneficiaries to date, including nonprofits and small businesses (the full list of organizations is in the appendix). The map below indicates the location of all organizations funded through October 2022. Please note, some nonprofit organizations funded by BCF used their headquarters address on applications for funding. Though the location where services are rendered may not be specifically depicted in the map, sub-awardees provide services to a wide variety of neighborhoods across the City.

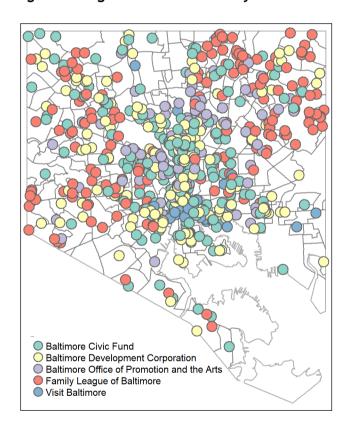

Figure 1: Organizations Funded by the Economic Recovery Fund

Baltimore Civic Fund (BCF) Economic Recovery Assistance

For the 2022 Nonprofit Relief Fund, BCF received and approved documentation for 12 grantees to receive reimbursement grants. The grantees were paid a total of \$326,303.45 via electronic funds transfer. BCF is in the process of obtaining final documentation for other grantees and therefore were unable to complete 100% of the payments by October 31st as previously reported. Should final documentation not be received, grant awardees will forfeit their grant awards. Finally, BCF is on track to complete this round of grant awards before the December 31, 2022, deadline per the grant agreement with the Recovery Office.

Baltimore Development Corporation (BDC) Economic Recovery Assistance

BDC closed its second application window for small business grants on October 13, 2022. A total of 535 small businesses applied and requested a total of \$8.8 million. BDC is in the process of reviewing these applications and will make award date. Another 19 grants totaling \$324,000 will be awarded to applicants in the first round who were "carried over" to round 2. These were businesses that applied in Round 1 that BDC wanted to fund based on priority and merit but could not either because the business did not initially meet certain eligibility requirements (e.g. missing key documentation). The applicants have since satisfied those requirements and will be funded in Round 2.

Visit Baltimore Economic Recovery Assistance

Visit Baltimore has fully expended its award and will not have a new status update until the 12-month follow-up survey, which will be conducted in April 2023.

Baltimore Office of Promotion and the Arts Recovery Assistance (BOPA)

The Baltimore Office of Promotion and the Arts is in the process of finalizing its Arts and Cultural Festival project (Artscape) and will be ready for execution in the following months. This project will partner with existing events produced by other city agencies and cultural organizations to curate more inclusive, accessible events to a wider range of residents. ARPA funds will help ensure the safest, most accessible, high quality cultural celebrations, that exceed their potential to reunite Baltimore residents post-COVID. Artscape will be extended into a five-day celebration of arts and culture, incorporating historical components such as live performances, artist

summits, open studio tours, and a weekend art fair. BOPA has innovated a more community-driven art and audience inclusive approach.

Family League Economic Recovery Assistance

The Family League of Baltimore City has expended its \$2 million grant award and disbursed funds to 182 child day care providers. No new updates will be provided until the 12-month post-award survey is conducted and summarized in March 2023.

City Agencies Accomplishments

Baltimore City Recreation and Parks (BCRP)

BCRP, MORP and its consultants continue to evaluate procurement vehicles that may help expedite the completion of athletic court resurfacing and playground repairs and upgrades while also adhering to 2 CFR 200 federal procurement regulations. Additionally, there is an ongoing RFP for Parkview Recreation Center, and bids are due on December 14. The Greater Model pool, Gardenville Recreation Center, Furley Recreation Center, and Curtis Bay Recreation Center are currently in the design phase. Finally, BCRP is also in the process of recruiting for its public works inspector positions.

Baltimore City Health Department (BCHD)

BCHD completed its move into the new PPE warehouse. Additionally, BCHD is continuing recruitment efforts for its adult guardianship, communications, and Food Security Clinical Health Workers positions. The BCHD Aging Nutrition Fellow has been hired and onboarded. BCHD's programming to provide meals to seniors, stand up mobile clinics, and offer COVID testing is ongoing.

During the month of October, the Fall vaccine campaign canvassing continued throughout West Baltimore. A total of 1,044 vaccines were given at 70 mobile clinics, 866 households were served by food distribution programs, and over 44,000 COVID-19 tests were given.

Broadband and Digital Equity (BDE)

BDE hired a technical director, expanding the office's capacity to track, coordinate, and implement the complex technical projects funded by ARPA. BDE also had a kick-off meeting for the Affordable Connectivity Program Citywide Awareness Campaign, which had over 30 attendees from key stakeholder organizations. All organizations committed to partnership in this effort, which will launch in February 20023.

Mayor's Office of Children and Family Success (MOCFS)

CASH Campaign continues to disburse monthly payments to approved program participants, provide services like financial counseling to participants, and collect performance and program evaluation data. Baltimore started disbursing monthly payments to approved program participants on August 15, 2022. In November, the Baltimore Sun published an article about the effect of these funds on the daily lives of participating residents. There was a similar article in October published in the Baltimore Banner.

Mayor's Office of Homeless Services (MOHS)

MOHS is in the process of selecting proposals for services from subgrantees for the Housing Navigation and Landlord Engagement as well as the Rapid Resolution and Shelter Diversion projects. Both projects were created to provide additional funding to meet the demand for services to individuals experiencing homelessness and decrease the length of time that people remain in crisis.

Mayor's Office of Neighborhood Safety and Engagement (MONSE)

In October, MONSE received BOE approval for the following ARPA contracts: We Rise, Challenge 2 Change, MissionFit, Roberta's House, and Community Law in Action.

The Returning Citizens Behind the Wall (RCBTW) Initiative has been signed by all partners (DPSCS and BCRP) and is pending BOE approval. In the interim, MONSE has convened two coordination meetings with DPSCS, BCRP, and MOED to discuss the logistics for work crews. MONSE is planning a soft-launch of RCBTW in mid-November/December with a small, six-member cohort. This cohort will be pre-screened by DPSCS and will serve as labor crews with BCRP.

MONSE's Coordinated Neighborhood Stabilization Response (CNSR) protocol is actively responding to the Princess Plaza area near the 2800-block of Edmondson Avenue. MONSE has started collecting 911, 311, and 211 data, partnering with community-based organizations, and engaging with City Agencies to coordinate response efforts.

Service provision for the SideStep Youth Diversion Pilot in the Western District has begun at the Center for Urban Families (CFUF). The partnership with CFUF allows MONSE's Youth Opportunity Coordinator to assess the needs and connection services needed for young people and their families in a safe space directly in their community.

Lastly, MONSE has filled the Re-Entry Coordinator position, with a start date of mid-November.

Mayor's Office of Employment Development (MOED)

Seventeen Train Up Occupational Skills Training providers continue to provide services, including 7 funded by City ARPA. All Support Services and Community Connectors contracts are also in place and services have begun. A total of 384 participants enrolled in Train Up Occupational Skills Training, of whom 138 are in City ARPA-funded programs. In total, 142 enrollees have obtained certifications, 149 have completed their training, and 39 have gained employment with an average wage of \$18.38 (includes City and State ARPA funded programs). This count does not include an additional 20 jobs reported in early November. Most completers are still in their job search phase, and more placements are expected next month.

A total of 172 unemployed/underemployed Baltimore City residents have received subsidized employment through Hire Up. Of these 51 are funded by City ARPA. Including State-funded slots, 28 of those who remained in the program at least two weeks have transitioned to unsubsidized employment, 24 of whom reported an entry wage of \$15/hour or higher. Currently, Hire Up worksites include the Baltimore City Department of Transportation, Department of Finance, Baltimore City Recreation and Parks Department, Department of Public Works, Parking Authority of Baltimore City, Downtown Partnership of Baltimore, and the Mayor's Office of African American Male Engagement. MOED also serves as a worksite. We are in discussions with three new agencies that may join as partners. A significant portion of the current Hire Up program

participants are Youth That Squeegee. Despite the challenges they face, these 42 youth have shown job retention levels similar to older adults.

Hire Up and Train Up Project Managers continue to coordinate with two legal services providers, Maryland Legal Aid and Maryland Volunteer Lawyers Service as well as Associated Catholic Charities to provide behavioral health services. To date, at least 30 participants have taken advantage of free legal services. One hundred residents have attended orientation with Catholic Charities, and 17 have received group or individual behavioral health services.

Through the Small Business Wage Subsidy, a total of 309 unemployed or underemployed residents have been hired at small, minority- or woman-owned businesses, and 243 subsidies have been paid to businesses thus far (paid upon 10 weeks of employment). Of these, 119 subsidies are supported by City ARPA.

The Let's Ride To Work Program, in partnership with Lyft, provides up to 40 rides for newly hired employees working in Baltimore City. Thus far, 85 clients have received a total of 1,712 rides.

Department of Housing and Community Development (DHCD)/Housing

DHCD's Healthy Homes project is in the process of being finalized and will be ready for grant agreement execution between MORP and DHCD in the following months. Funding for the project will provide critical assistance for healthy home interventions for units being served by the Weatherization Assistance Program, Lead Hazard Reduction Program, and the Office of Rehabilitation Services. This project will result in a healthier living environment for residents and will help to stabilize the physical condition of houses throughout the Baltimore City.

HABC's Perkins Somerset and Oldtown (PSO) Transformation Plan is in the final stages of being finalized and will be ready for the grant agreement execution between MORP and HABC in the following months. The project will be providing critical assistance in the construction of infrastructure related activities in the Somerset Phase 2 & 3 sections of the PSO redevelopment project.

Department of Planning (DOP)

DOP continues Food Insecurity project implementation including the hiring of a Food Policy Fellow and a Food Policy Data Fellow. Both positions are integral to standing up and implementing programs, as well as managing data and program evaluation. In addition, over 50,000 produce boxes were distributed to 33 community organizations. A 15-year lease with Baltimore City Recreation and Parks (BCRP) for the Farm Alliance's farm incubator was executed. This lease serves as one of the longest leases in the country for urban agriculture on city-owned land and will be a model for future urban agricultural leases. A grant Agreement with the Farm Alliance of Baltimore for \$1.5 million dollars of infrastructure funding for the farm incubator is in the process of being finalized. The SNAP incentives program is continuing with onboarding as three sole source contracts for local vendors has been approved to move forward with contract completion.
